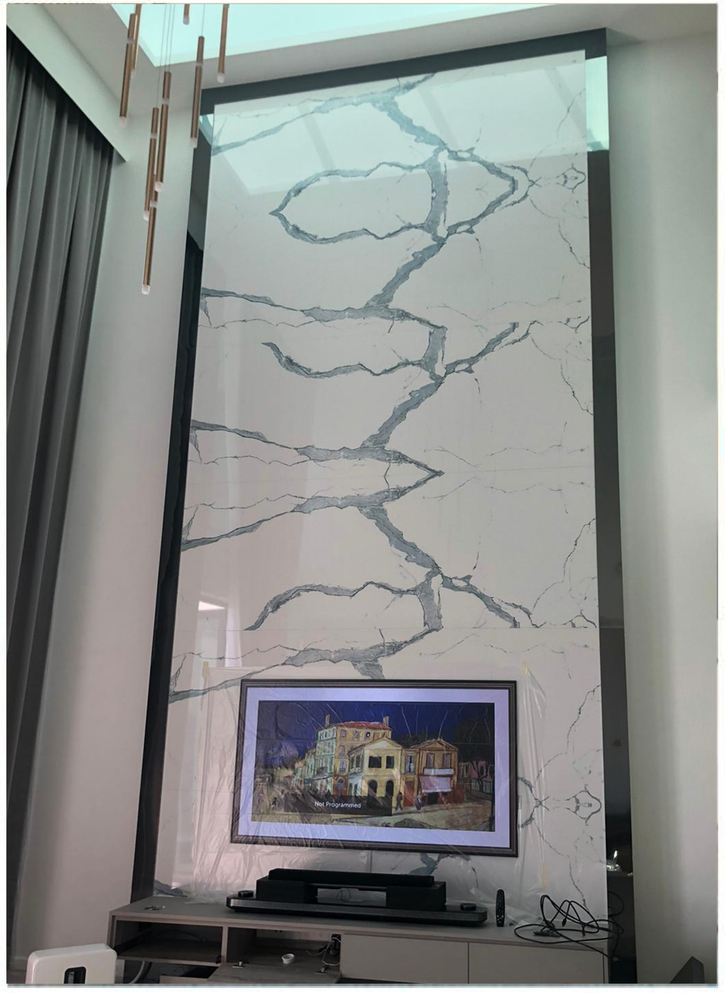
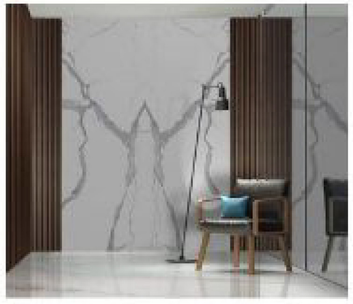
BOOKMATCHED GLOSS PANEL ブックマッチ





Material: PVC resin
Surface design: Printed
Surface finish: High gloss UV coat

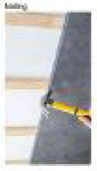
Advantages:
-moisture proof
-flame retardant
-high strength
-anti-corrosive
-anti-bacterial
-acid & alkaline resistance
-low cost
-easy-installation

Installation:

Bonding adhesive

Stapling

Nailing



SURFACES - Bookmatched Gloss Panel

Panel material: PVC Resin
Surface design: Printed
Surface finish: High Gloss UV Coat
Dimension: W1000mm x H2700mm x 10mm thick
Model code: BG-1

PRODUCT CHARACTERISTICS:

Moisture proof
Flame retardant
Machinability
Lightweight
Indoor, suitable for wet area
